

RoboCupJunior European Championship 2026 (1)

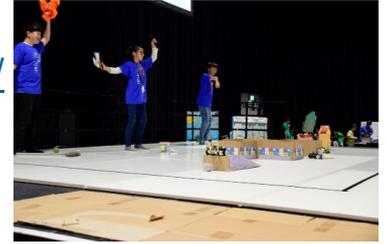

- RoboCupJunior
 - RoboCup is an international initiative dedicated to promote robotics and AI
 - RoboCupJunior (RCJ) is a project-based educational initiative that aims to spark enthusiasm for robotics and AI among students aged 10 to 19.
 - RCJ organizes local, regional, and international robotics events and accompanies students from their first steps in robotics to meaningful, challenging projects.
- European Championship
 - Held annually in one of the partner countries of the European umbrella organization of RoboCupJunior
 - Teams must qualify through national competitions

• Volunteers are still needed for RoboCupJunior EC 2026

Volunteering (1)

• Expected tasks

• Volunteer work at the European Championship in Vienna

- Performing assigned tasks from June 3 to June 6, 2026, including setup and dismantling on the first and last days
- Participation in the introductory session (approx. 1 day), approx. 1-2 weeks in advance – depending on discipline

• Eligibility

- Students at an academic institution in Austria and international volunteers from one of the national RCJ organizations
- Experience at national/international RCJ events is a plus
- Confirmation that you are available from June 3-6, 2026, are willing to volunteer, and will participate in the introductory session

Volunteering (2)

• What you get in return

- Accommodation in a shared room (probably Wombats Vienna)
- Breakfast and lunch
- Event T-shirts
- Invitation to the internal closing party

• Important dates

- Registration opens: March 23, 2026
- Registration deadline: April 17, 2026
- Notification of acceptance: April 20, 2026 by email

• Registration:

- Informal by email (including your email address and telephone number) to rcjec2026@technikum-wien.at
- Please indicate former experience and discipline(s) in which you would like to participate

• If you have any questions, please contact Mr. Wilfried Kubinger

- kubinger@technikum-wien.at; +43-1-3334077-2584
